

A year-long empowerment program for **community leaders**.

The 2020 Series offers professional expertise and resources to (aspiring) community leaders looking to futurise their club/group with expert governance and management advice. This year-long program covers a wide range of topics and enables the development of important networks with like-minded club/groups within the community.

What is the 2020 Leader Series

Where: www.smrc.org.au/2020series
