How can our staff help you?

Our trained multilingual bicultural staff use their cultural knowledge and lived experience to create connections and build engagement with Culturally and Linguistically Diverse (CALD) communities for you. They can support your company in several ways:

- Assist with project work
- Run focus groups,
- Provide community language support for training, information sessions, inductions etc
- Provide translation of relevant company information into language, e.g. program flyers, work health and safety flyers
- Assist your company to become culturally aware
- **NB** Please see Service Request form for current languages / cultures available

Covid Vaccination Compliant

All our staff have current Covid Vaccination Certificates
